

# How Do You Facilitate Balanced-Examination?

*Different Attitudes towards Data and Change*

Workshop

HEIR 2018, RSCI  
Dublin, Ireland  
20th September 2018

Hirosuke Honda  
University of Maine at Augusta

Steve Woodfield  
Kingston University

**Opening**

# Goals of the Workshop

Participants will be able to use our framework to:

- 1. Better understand interpersonal dynamics**
- 2. Improve balanced-examination in decision-making**

# Participant Introduction

Please introduce yourself by answering the questions:

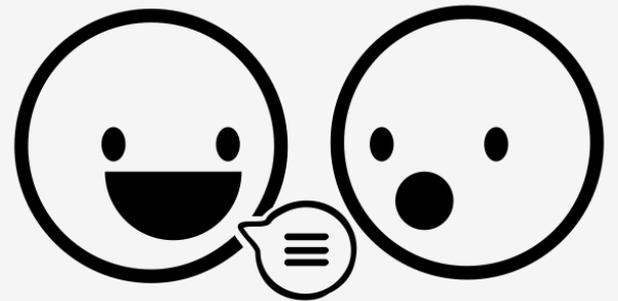

- 1. How do you currently manage interpersonal dynamics?**
- 2. What are your expectations for this workshop?**

# Workshop Agenda

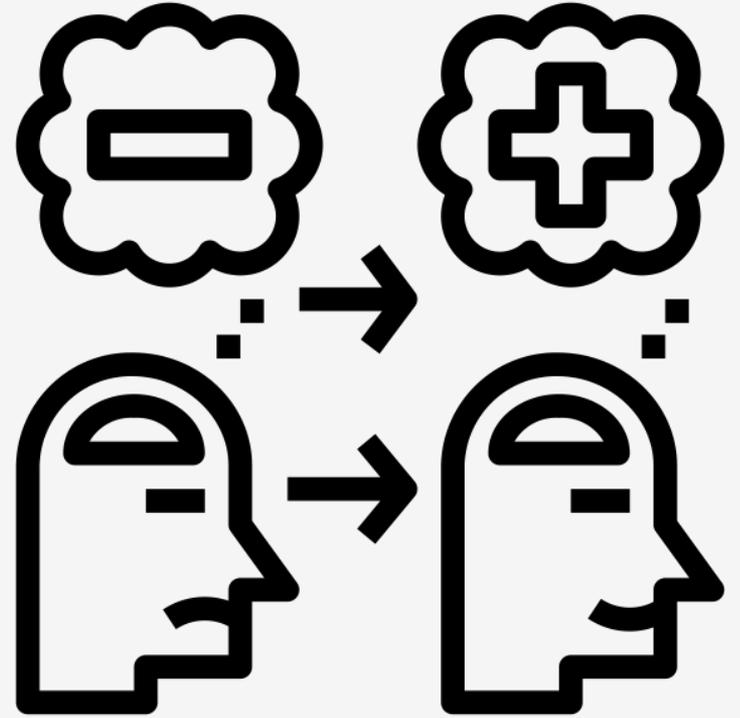

Time	Activity
14:30 – 14:40	Opening
14:40 – 14:50	Introduction to the Analytical Framework
14:50 – 15:00	Exercise I: Application of the Framework
15:00 – 15:05	Exercise II: Development of Strategies for balanced-examination
15:05 – 15:20	Group Discussion and Peer Feedback
15:20 – 15:25	Closing

# Introduction

Do you ever find  
yourself listening to  
**anecdotes**?

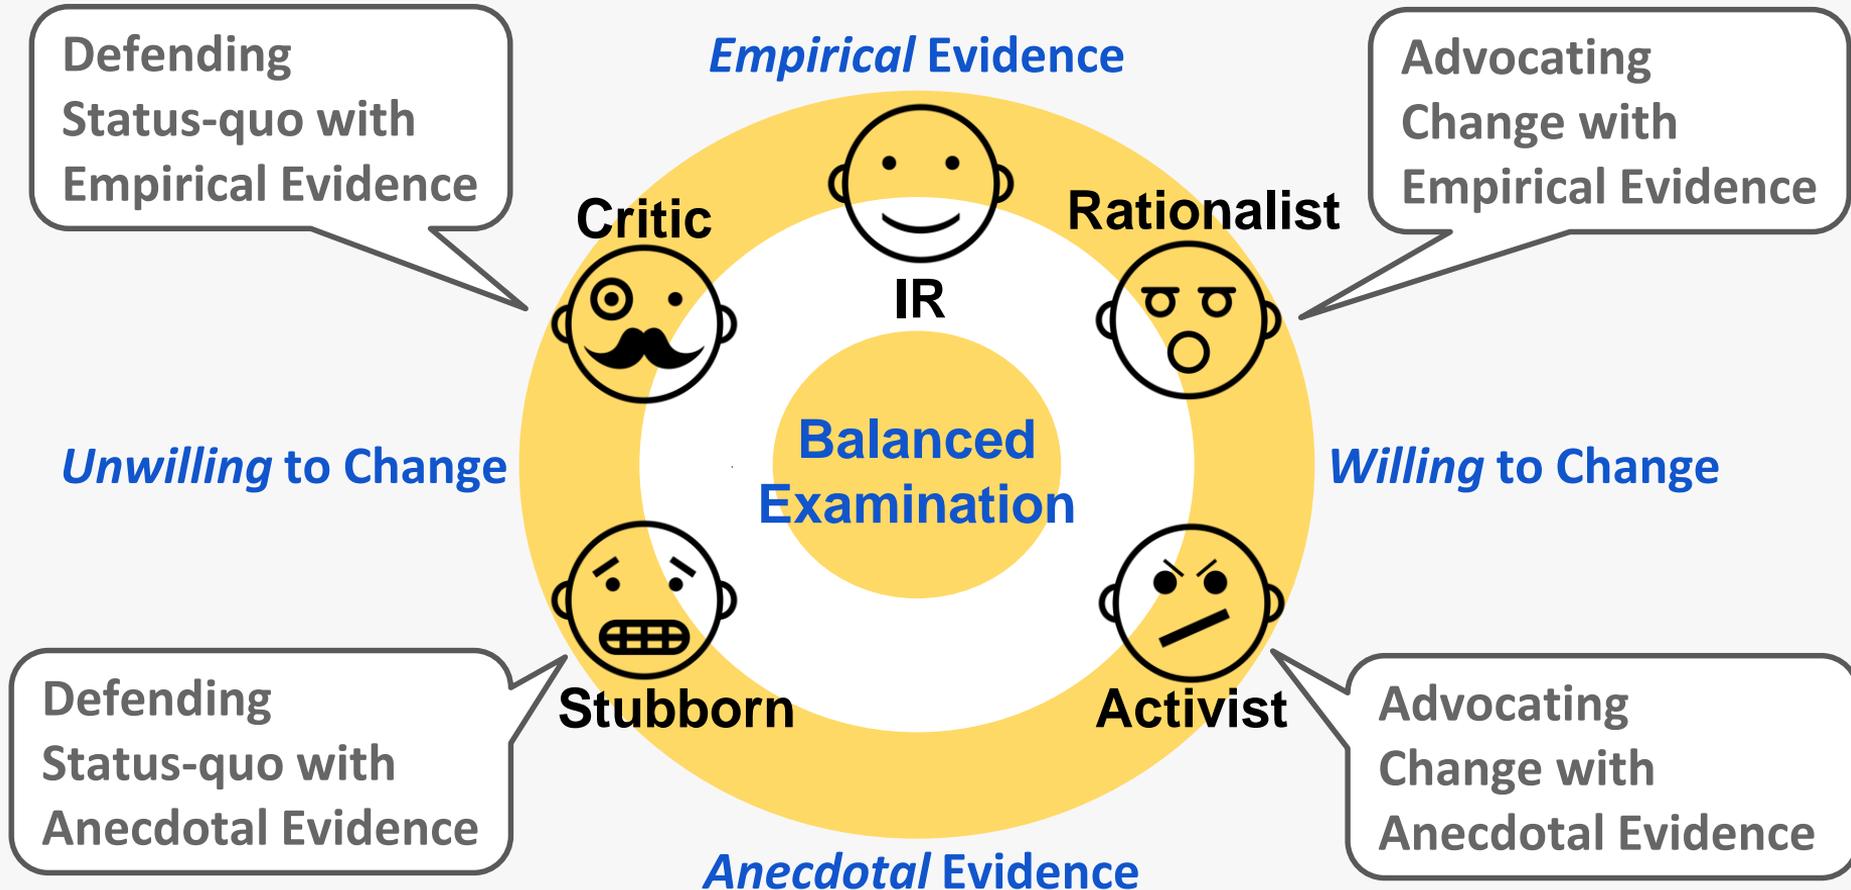

How can you  
**change**  
stakeholders?

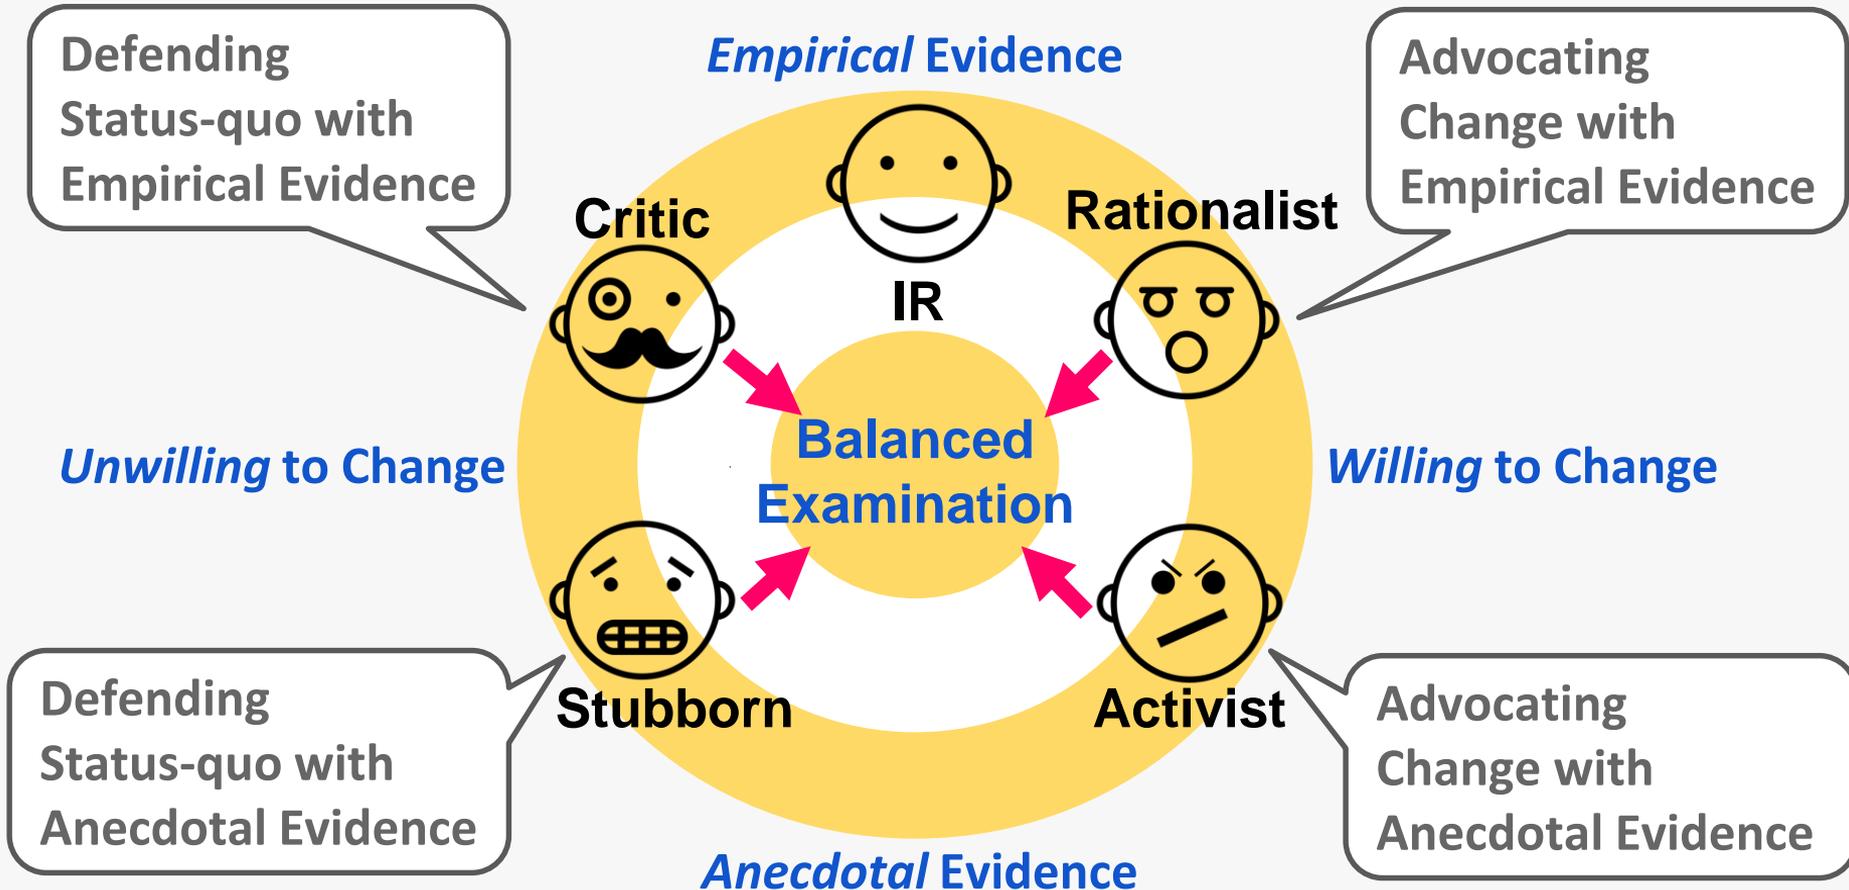

# **Analytical Framework**

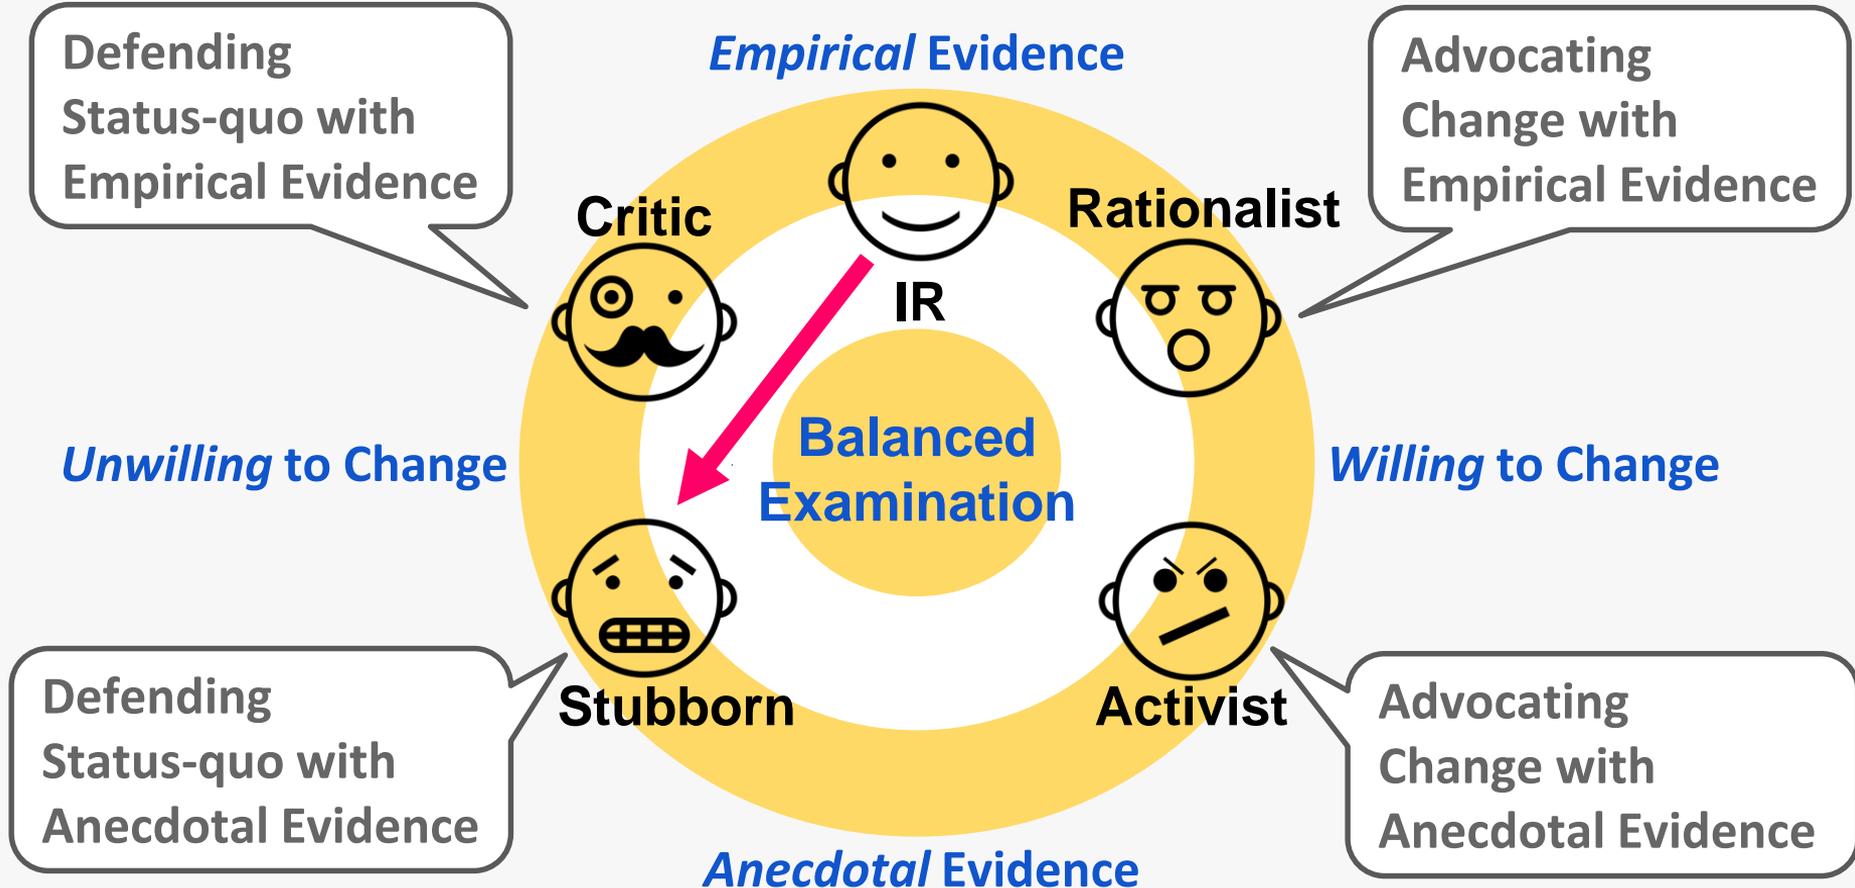

# The Land of Campus Politics

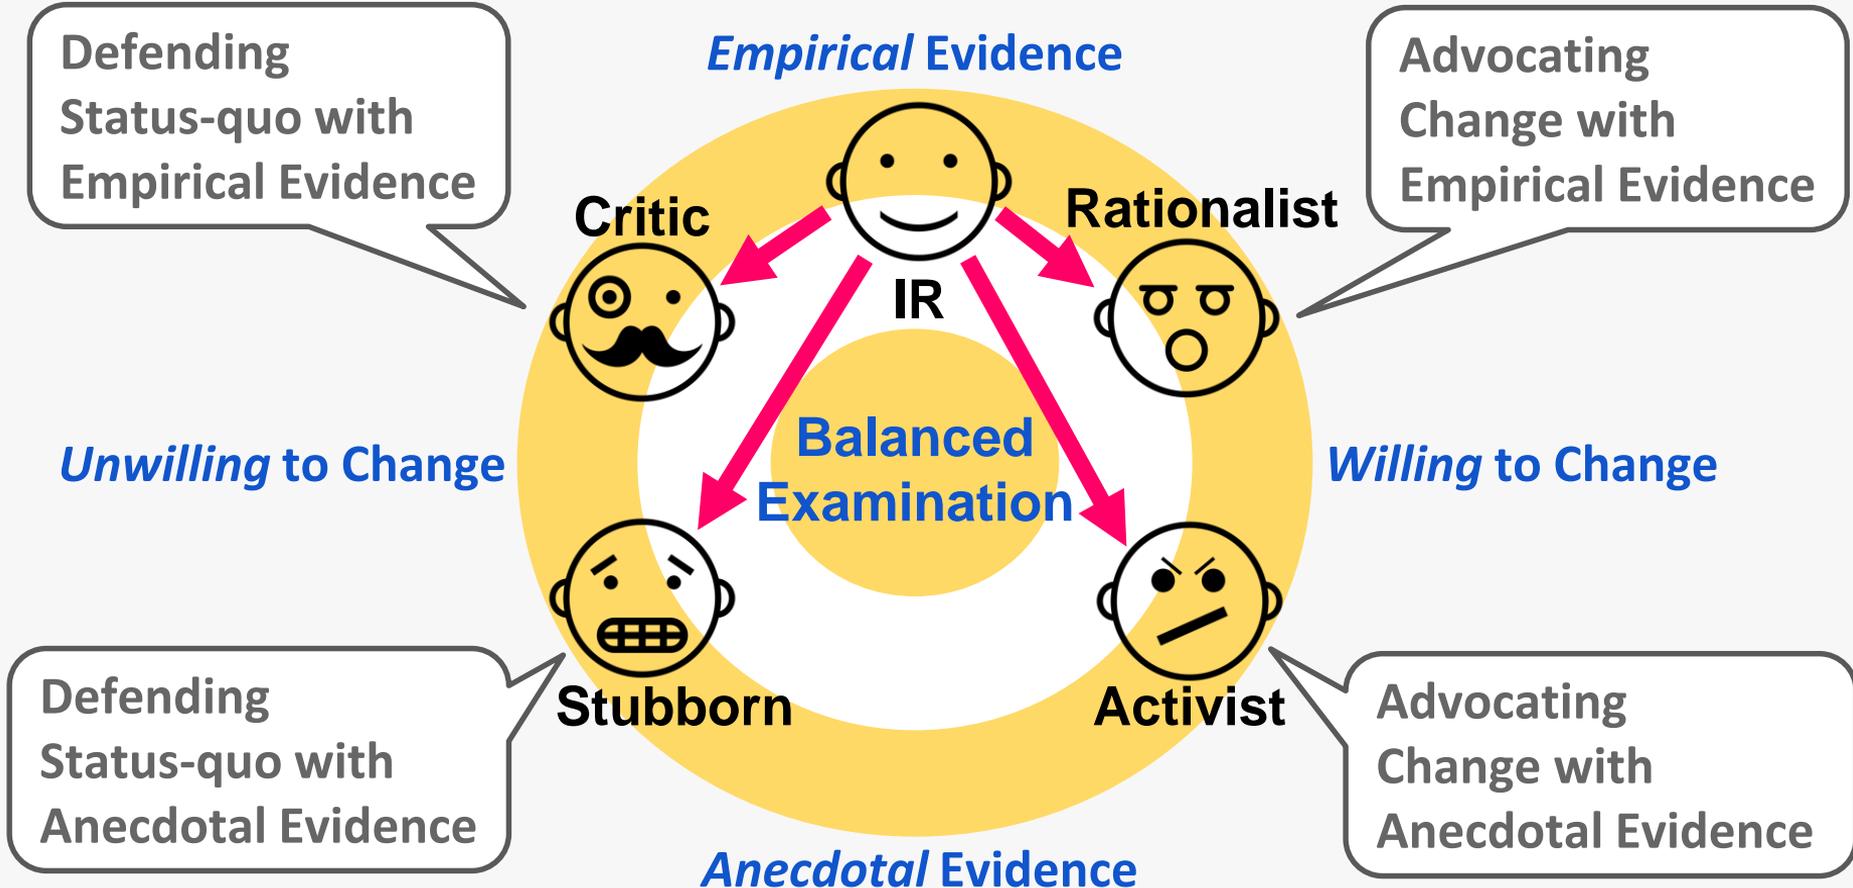

# Toward Balanced Examination

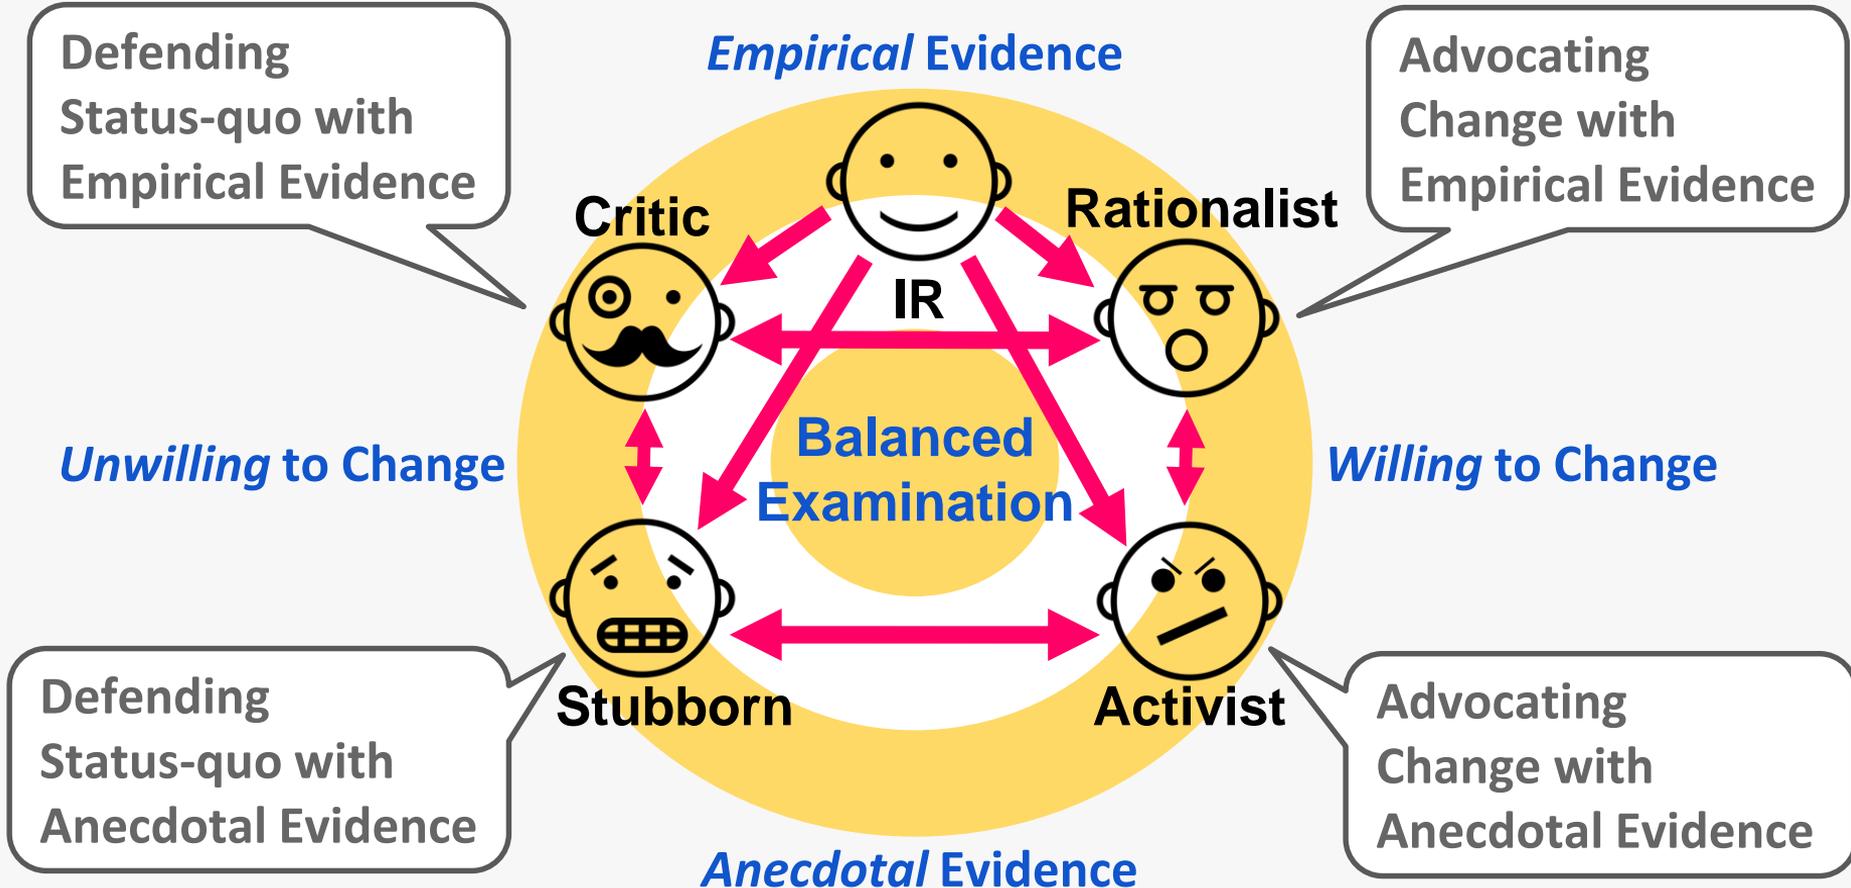

# One-to-One Relationship

# One-to-Many Relationship

# Many-to-Many Relationship

# **Exercise I**

## **Application of the Framework**

# Instructions

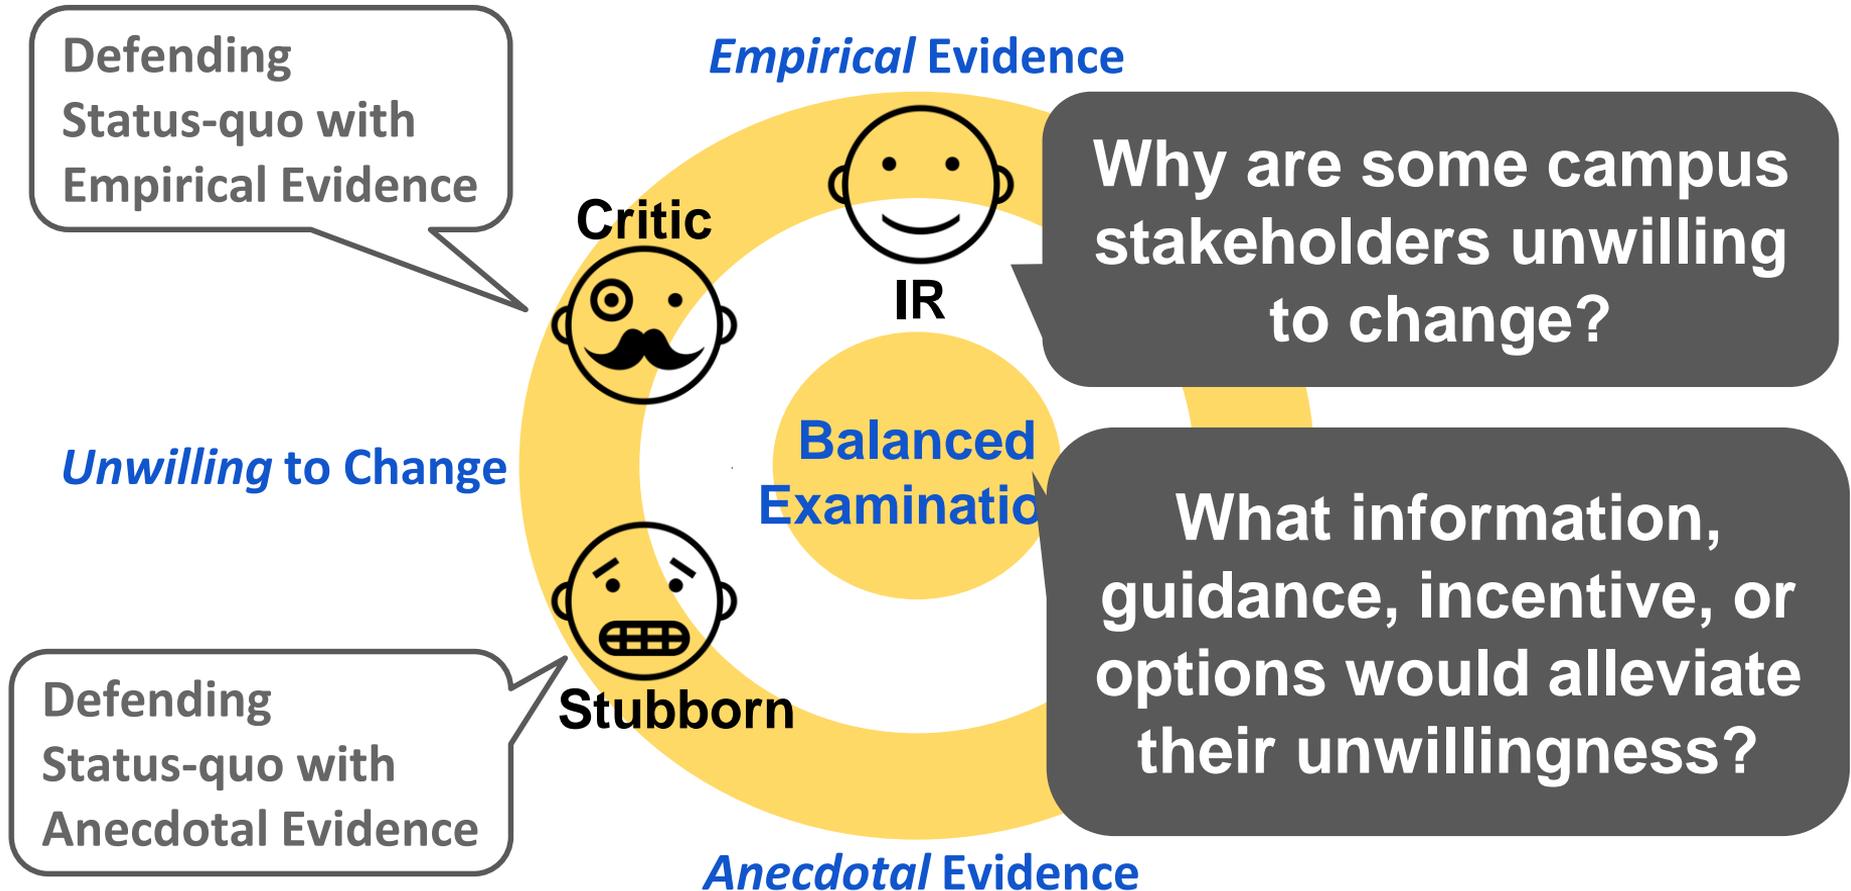

In pairs, discuss the following items:

- 1. Think about one or two projects with complicated interpersonal dynamics in the past, present, or near future.**
- 2. Select one project that you would like to analyse and gain insight from your group members.**
- 3. In your analysis, try identifying the core of your campus stakeholders under the framework.**

# **Exercise II**

## **Development of Strategies**

# Questions about Change

# Questions about Evidence

Are there any methodological concerns?

Why are some campus stakeholders dismissing empirical evidence?

*Unwilling to Change*

IR

What are the personal experiences, beliefs, and values behind their anecdotal evidence?

*Willing to Change*

Balanced Examination

Stubborn

Defending Status-quo with Anecdotal Evidence

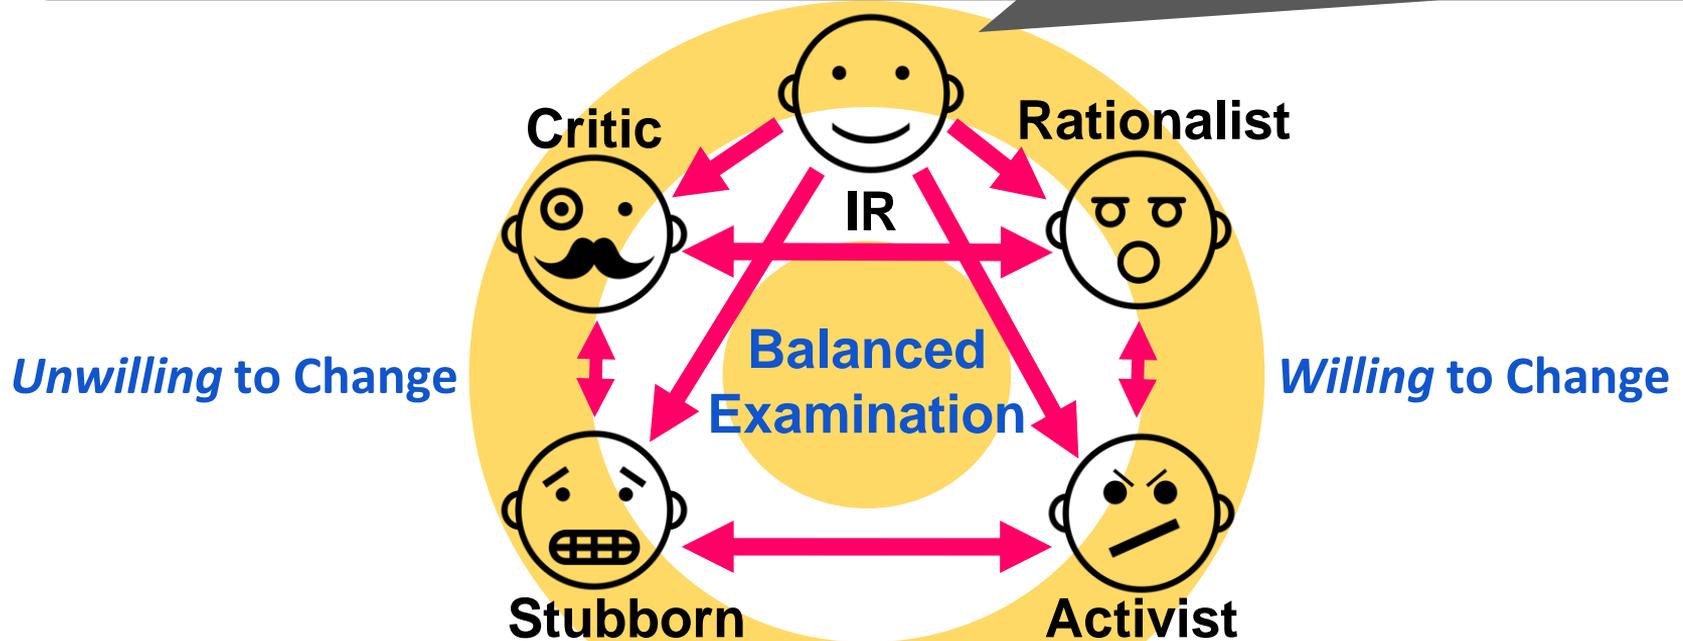

Activist

Advocating Change with Anecdotal Evidence

*Anecdotal Evidence*

# Many-to-Many Relationship

Who is the key campus stakeholder in this decision?

What is the key stakeholder's direction and influence over other campus stakeholders?

# Summary Instructions

Develop strategies through answering the questions below:

- 1. Why are some campus stakeholders unwilling to change? What information, guidance, incentive, or options would alleviate their unwillingness?**
- 2. Why are some campus stakeholders dismissing empirical evidence? Are there any methodological concerns? What are the personal experiences, beliefs, and values behind their anecdotal evidence?**
- 3. Who is the key campus stakeholder in this decision? What is the person's direction and influence over other campus stakeholders?**

# **Group Discussion for Peer Feedback**

# Option 1

- **Connect with another pair of participants**
- **Each pair presents a summary of Exercise I and II**
- **The other pair provides feedback**

# Option 2

Connect with a pair and discuss the following questions:

1. **What are common challenges in facilitating balanced-examination?**
2. **What are strategies to promote balanced-examination?**

**Closing**

# Your Thoughts

- **What are your takeaways from this workshop?**
- **How could this workshop be improved?**
